

News Article in TOJ on 17-02-2011 For our Luxurious Project at Kandivali (E)

Your home in the sky.

Ajmera Iconic features two 47-storey towers and two 20-storey towers which are hard to miss, no matter where you are around Kandivali.

At 185m, this will be by far the tallest residential complex in the suburbs.

Replete with state-of-the-art features, its architectural grandeur is matched by impeccably planned lavish breezy apartments, thanks to its imposing height.

Ajmera Iconic, Kandivali

Alpesh Ajmera, Managing Director,
Ajmera Cityscapes: an arm of Ajmera Group

Our association with Reza spans across several projects. Reza's vision and insight in to consumers' minds makes him unique. His experience and practical approach makes him stand apart from the others in the fraternity.

His down-to-earth attitude makes it a delight to associate with him on projects.
